I am feeling normal today

a little bit of sore throat

and a little bit of cough

but I feel good

and I am not worried

about the virus

because I am not

showing any symptoms

and I feel good

and I am not worried

about the virus

because I am not

showing any symptoms

and I feel good

and I am not worried

about the virus

because I am not

showing any symptoms

and I feel good

and I am not worried

about the virus

because I am not

showing any symptoms

and I feel good

and I am not worried

about the virus

because I am not

showing any symptoms

and I feel good

and I am not worried

about the virus
